RE: Amicus Small Firm Second Notice – Action Required

Dear [Primary Contact – First Name],

We have attempted to reach you to discuss the END OF LIFE of your Amicus Small Firm software.

Given the impending end of support to your case management system, it is imperative that we work with you to identify the critical path to migrate your system to the most current and compliance-ready case management platform. This is to ensure the integrity of the data which you currently transact.

In anticipation of the nearing deadline, we urge you to take immediate action and contact us to schedule your system migration.

Contact us Monday through Friday 8:30am-8:30pm EDT, at:

Toll Free: 1-866-882-9795

Email: migration@amicusattorney.com

Or visit: www.amicusattorney.com/migration

Please disregard this notice if you have already scheduled your migration.

We look forward to being of service now and for many years to come.

Sincerely,

Alessandra Lezama, CEO
